"Generation C" - Add This to the Lexicon

Description

A caller to <u>Bill Bennett's talk show</u> this morning put forth a new moniker for the current crop of people who think there is nothing to put their trust in. They are coming behind the Gen Xers:

"Generation C" for "Cynic"

Fits pretty well, considering the <u>Democratic Underground people decided within a short time yesterday</u> that the small plane crashing into a Manhatten apartment building is part of an inside job of the Bush Administration.

Go figure...
