Looking for MEGEN Pictures?

Description

It's taking a little time, but I think I have the flow for the photo-editing.

So far, I'm working through all the pictures of MEGEN Pinch took on his Norfolk, VA area tour. You can see them here.

Suggestion: Download them, print them out on a full sized piece of paper, then "pose" your favorites around for others to see, and also for photos of your own "Virtual MEGEN." If you take some, contact me for the FTP site to send them to me.

I'll keep at at and will get on AW1 Tim to ftp me his shots from Bath/Brunswick, ME.
