For All You Jealous Bubbleheads

Description

For the longest time now, the SWO ("Shoe") community had a backchannel place to vent or trade barbs at Sailor Bob.

Sailor Bob, being the gracious guy he is, helped the depth challenged and now there is <u>Rigged for Dive</u> to provide the same spirit of camaraderie and silence (the the rest of us) for the Slient Serviceâ,¢.

Spread the word....but for you sub bloggers, don't write it in there and not share with us....
