## Ropeyarn Sunday "Sea Stories" and Open Trackbacks

## **Description**

I know...a day late...I can make excuses, but not worth it.

I believe the other blog is gone, banished to digital nothingness by a hosting firm who wanted more money than this one did...

For this day, a blast from the past: <u>"We don't have enough fuel to reach Africa"</u>, a true story of too much desire for liberty in Brazil, not enough advance planning and two ships (neither one of them a logistics type vessel) somewhere in the South Atlantic.

Enjoy! (and post your trackbacks!)
