

Toys for the ex-Sailor

Description

First, it was the Bionic Dolphin...but there were issues.

Now, NEW AND IMPROVED! and you can do 360 rolls in it.

Rotary engine, 215hp, 3 feet deep, 12 feet in the air are the parameters.

Let's go to the video:

And...if you're curious, at the end of the video, they disclose the "damage,"Â somewhere about \$48K and change.
