Ok, time for a little levity.

Iâ€™m working on a parody of the Oscars (apologies to all the parody masters out there- Iâ€™m a novice-It’s a work in progress).

Any feedback – much appreciated.

* Backstage at the Oscars Rehearsal *

Producer: “Five minutes everybody! Places please! This is a live rehearsal! Camera one “ zoom in on Jon!”

Jon Stewart: “Dick? Iâ€™m gonna open with the Bush/Cheney “Brokeback Mountain” joke. Maybe use the “Capote & Cheney Hunting” stuff later? You know, after we have the “Jumpinâ€™ Jihad” musical number. What do you think?”

Producer: “Yeah, that works. Donâ€™t forget Rosie O’Donnell and Nathan Lane are doing the “Gay Love Stories at the Movies” montage right after you. Keep it tight on the monologue. We donâ€™t have a lot of time before the commercial break!”

Jon Stewart: “Right. Alex Baldwin and Marty Sheen are still doing the “Support the Troops “ Vote Democrat” mock PSA? Thatâ€™ll kill! Funny stuff!”

Producer: “Of course. Camera Two? Make sure you get a good shot of Cindy Sheehan sitting next to Michael Moore during Jonâ€™s monologue! Third joke in, wait for the line “Bush loves cartoons at the movies!”.“

Jon Stewart: “Cindy promised to wear her tee shirt if we showed it. That still a go?”

Producer: “Hell yeah! This isnâ€™t the “State of the Union” speech, you know. We still have free speech in Hollywood! By the way, make sure you pull all the “Mohammad – The Musical” jokes”

Jon Stewart: "I pulled all the Mohammad jokes. No sense offending a respected religion for no reason. We don't need any grief over being "insensitive" to cultural differences.

Producer: "Absolutely. That's the same reason we dropped Theo Van Gogh from the "In Memoriam" montage. I mean, the guy basically made a hate film. We can't celebrate that.

Jon Stewart: "Not enough fire insurance in the world to mention that guy! Can you imagine?!? They'd burn the theater down!

Producer: "Hell! They'd burn half of Hollywood down!"

Jon Stewart: "Is Redgrave going to hand out the award to "Paradise Now" when Palestine wins for best foreign film?"

Producer: "Who else? She's always supported them. We thought it was a good fit. Should be an interesting acceptance speech, too."

Jon Stewart "Did the President tape a message for opening credits? Like Clinton did?"

Producer: "The President? Of the Academy?"

Jon Stewart: "No – the President of the United States. You know, Bush?"

Producer: "Hell no! Will Farrell is doing a really funny impersonation of him we filmed last week. It has "Bush" trying to figure out what the films are about based on just their titles! It's a scream! He thinks "Crash" is about NASCAR! Our audience will love it"
