

I FOUND IT!

Description

During the return home from the [MilBlogging Conference](#), I found that mythical place that so many other have.....

So, one more mystery of life solved: Hog Heaven is a place with an address...

MilBlogging post-conference work delayed to watch the Lightning play hockey the way it was meant to be: Full contact, helmets, gloves, sticks, punches all flying....

PS: If you want the full address, leave me comments.
