

When Capt Lex Retires, This May Be His Best Option for Fun

Description

[YouTube](#) has some great stuff....

Since I know the retired paycheck of a Navy Capt is not good enough to allow [Neptunus Lex](#) to have an F/A-18 in his garage for weekend jaunts, maybe he'd be satisfied with doing what the guy in this video did....

And, oh, yeah...he already understands the management of powered flight systems, so he'll pick it up in no time and can be down at [Skydive San Diego](#) real soon now...
