

Technical Eye Candy

Description

How about a nice panoramic view from the top of [Mt Everest](#)?

Maybe a scene from a [small canyon](#) during a white water rafting trip suits you better?

Anyhow, while scanning the 'net to see if I had an original idea, I found someone else is using the term "blogvel" for online novels, and I tripped across [Panoramas](#) on the way.

So, take a virtual vacation for a few minutes and see some pretty cool scenery....like a [climb up The Matterhorn](#) or save the 24 hour Quantas flight and the jet lag for another time and see a sunset from the plaza in front of the [Sydney Opera House](#).

BTW, don't foget to look up and down, too.

Thanks to [Mudville Gazette](#) for the Open Post!
